**All Grades**

**Cir No. NISV-I/1/28/18-19**  
**Date : 11th Sept. '18**

Dear Parents,

**School Kits Collection Campaign for Kerala**

There is a request for education kits, so that children can start studying in their schools. It's important that kids return to their normal routines, trying to move on with their lives, even amidst the trauma, devastation and loss they have all suffered.

These are for govt-run Primary n Secondary schools and the distribution will be sourced via the State Educational Dept (Sarva Siksha Abhiyan).

We Appeal to all friends to join us!

One complete kit must have :

- 1 school bag
- 1 steel bottle
- 1 steel tiffin box
- 4 single line notebooks
- 1 box of pencils
- Eraser & Sharpener
- Stationery pouch

**\*Please note: No used school bag, stationery, plastic box or plastic bottle etc. These people may have lost their homes but they have their dignity intact.**

There are 2 ways you can help make this happen-

1) Make a group of friends, collect complete kits, pack in carton box; label with exact number of items inside; and deliver to:  
Navrachana International School, Vadodara  
Contact Person: Ashvin Patel, CAS Incharge, NISV

OR

2) Let us know how many kits you want to pledge (Rs. 750 per kit); send the exact amount in cash; we will get the kits organised.  
Contact Person: Ashvin Patel, CAS Incharge, Navrachana International School, Vadodara

Together, let us ensure that kids go back to school. Look forward to your support! Thank you!
